CRUISES and TIMETABLE

18th April to 7th October 2011 - **ADVANCE BOOKING ADVISABLE**

Loch Shiel is one of Scotland's largest inland freshwater lochs and is regarded as one of the few remaining areas of true wilderness. Prince Charles Edward Stuart or 'Bonnie Prince Charlie' used this waterway to reach Glenfinnan and start his 1745 Jacobite quest to reclaim the British throne for his family. Learn about the History and Geology of this beautiful part of the Highlands and share the local skippers' experience in spotting Golden Eagles, Red Deer, Black-Throated Divers and a variety of rare wildlife.

ALL CRUISES DEPART FROM & RETURN TO GLENFINNAN PIER
FREE PARKING AT THE GLENFINNAN HOUSE HOTEL (Bar meals available 12 Noon-9pm)
